### Join Today

The mission of **WordStorm Society of the Arts** is to promote writers and performing artists; to locate, set up and develop venues for writers to perform and read their work; to promote and develop writers' and performing artists' workshops; to develop partnerships with other associations and societies concerned with promoting the performing arts; to develop similar and related activities and events as determined by directors and/or the membership; and to publish the artistic efforts of writers.

**Become a Member!** You help fund non-funded readers, get two pdf newsletters, help us with our web site and the cost for our venues, plus first notice of workshops.

WordStorm Society Individual Memberships are only \$10.00 a year. Memberships can be paid at WordStorm events or by mail. Remember to give us your name, email address, and phone number so we can keep our records up-to-date and mark you as "Paid".

### Become a Friend of WordStorm!

WordStorm Society of the Arts is not as yet a registered charity, and cannot at this time issue tax receipts, however, we do accept individual gifts of more than \$10.00. Donations will help fund artists and events. It helps us so much when we are seeking grants, if we can tell our fund-raising bodies that we have strong membership numbers behind us. If you would like to support or sponsor a future WordStorm Society event, please return this form with a cheque made payable to:
